BRENDAN NGWA NFORBI

Retail Print Specialist

(209) 801-4442 | bnn.cdl@gmail.com | Milpitas, CA

PROFESSIONAL SUMMARY

Customer-focused Print Associate with 5+ years in Bay Area copy, print, and shipping retail, now targeting the Staples Print Specialist role in Milpitas. Greets customers, asks open-ended questions to understand copy and print needs, and uses order intake tools to capture a complete print solution. Produces professionally finished work with visual inspection and defect detection. Skilled with Microsoft Word and desktop applications to open, save, and send electronic files, and comfortable helping customers at self-service copiers and PC rentals. De-escalates issues in a calm, cooperative way. Communicates clearly in English. Available immediately for flexible part-time hours, including evenings and weekends. Able to stand and walk continuously and lift 10-50 lbs.

CORE COMPETENCIES

Customer Service & Consultation ■ Print & Copy Production ■ Visual Inspection & Quality Control ■ Defect Detection
Microsoft Word & Desktop Applications ■ Order Intake Tools ■ Self-Service Copiers & PC Rentals
Conflict De-escalation ■ Shipping Support ■ Flexible Part-Time Scheduling ■ Clear Customer Communication

PROFESSIONAL EXPERIENCE

Print Associate | FedEx Office, Milpitas, CA — Apr 2023 ■ Present

- Greet customers as they enter the print center and ask open-ended questions to understand copy, print, finishing, and turnaround needs
- Use order intake tools to capture project details and recommend a total print solution, including copies, color output, binding, posters, and business cards
- Produce professionally finished products on print and production equipment; perform visual inspection and defect detection before customer handoff (99.5% reprint-free)
- Assist customers at self-service copiers and PC rentals; open, save, and send electronic files in Microsoft Word and similar desktop applications
- Cover packing and shipping as assigned; de-escalate service issues in a calm, nonconfrontational way while standing and lifting 10-50 lbs throughout the shift

Copy & Print Associate | Office Depot, Fremont, CA — Jun 2021 ■ Mar 2023

- Consulted walk-in and small-business customers on copy and print projects, asking qualifying questions to size jobs and suggest finishing that completed the solution
- Operated copiers, printers, and finishing equipment in a high-paced retail print center; inspected output for quality issues, color defects, and incomplete sets
- Handled customer files on desktop applications, including Microsoft Word, to open, save, and send work for same-day and next-day production
- Collaborated with a team-oriented retail crew during peak hours and resolved complaints cooperatively without confrontation
- Trained 5 new associates on greeting standards, order intake, and quality checks during onboarding

Retail Print & Shipping Associate | The UPS Store, Milpitas, CA — Aug 2018 ■ May 2021

- Greeted customers and captured packing, shipping, and print-copy orders, then produced copies and simple print jobs with a keen eye for quality issues
- Helped customers with shipping, mailbox, and self-serve tasks; regularly lifted boxes and supplies in the 10-50 lb range and walked the floor continuously
- Managed delayed-package and order conflicts in a reasonable, cooperative manner while protecting customer and business information with honesty and integrity
- Worked a flexible retail schedule based on store needs, including evenings and weekends, in a fast, sometimes stressful neighborhood location
