BRENDAN NGWA NFORBI

Customer Service Coordinator

(209) 801-4442 | bnn.cdl@gmail.com | Milpitas, CA

PROFESSIONAL SUMMARY

Customer Service Coordinator targeting Penske Truck Leasing in Santa Clara (2380 Lafayette St). 5+ years in Bay Area fleet shops: scheduling preventative maintenance, coordinating outside repairs, and building the daily/weekly work plan around customer needs, parts, technician skill, and hours. Hands-on diesel mechanical background plus service-desk administration. Communicates schedule changes, billing questions, and service issues so customers come back. Follows DOT, OSHA, and shop safety rules; lifts 50 lbs; available for 2nd shift (1:00-2:00 p.m. start). High school diploma. Communicates clearly in English. Lives in Milpitas.

CORE COMPETENCIES

Preventative Maintenance Scheduling ■ Shop Work-Plan & Workforce Planning
Outside Repair / Vendor Coordination ■ Rental Unit Readiness ■ Parts Availability
Customer Updates, Billing & Issue Resolution ■ Service Scheduling Programs ■ Hands-On Mechanical / Shop Floor
DOT / OSHA / PPE Safety ■ 2nd Shift Availability ■ Clear English Communication

PROFESSIONAL EXPERIENCE

Service Coordinator | Ryder Truck Rental, San Jose, CA — Apr 2023 ■ Present

- Build the daily and weekly shop work plan at Ryder San Jose (2481 O'Toole Ave): customer PMs, estimated unscheduled repairs, parts on hand, technician skill, and available hours
- Schedule preventative maintenance and communicate updates, schedule changes, billing concerns, and service issues so rental and lease customers stay informed
- Keep rental units maintained and prepared for the next customer; confirm parts are on the shelf before a job is dispatched
- Hold outside vendors to quality and promised dates; coordinate with district billing clerks on extras and warranty vs. customer-pay
- Protect shop productivity by sequencing work and following Ryder / DOT / OSHA safety rules, PPE, and full-shift attendance

Service Advisor | Coast Counties Peterbilt, San Jose, CA — Jun 2021 ■ Mar 2023

- Ran service-department administration at 1740 N 4th St: write-ups, PM scheduling, and the shop board so technicians had a clear plan each day
- Called customers with status, extra-work approvals, and billing questions; resolved service issues so they returned for the next PM
- Ordered and staged parts for scheduled jobs; followed up with vendors on outside repairs until the unit was back on the lot
- Used the dealer scheduling system and basic diagnostic notes to assign work to the right technician and hit promised times

Diesel Technician | TEC Equipment, Oakland, CA — Aug 2018 ■ May 2021

- Hands-on mechanical work at TEC Oakland (8099 S Coliseum Way): PMs, inspections, and unscheduled repairs on Class 6-8 trucks in a dealer shop
- Selected the correct tools and PPE, worked around moving trucks, and lifted 50+ lbs; followed shop and OSHA safety practices
- Stood, walked, bent, and climbed through the shift; used shop diagnostics under advisor direction
- Gave accurate time and parts feedback so the service desk could keep the work plan honest

CERTIFICATIONS

First Aid / CPR Certified ■ Workplace Safety Training

EDUCATION

High School Diploma ■ James Lick High School, San Jose, CA
