

BRENDAN NGWA NFORBI

Autonomous Vehicle Operator (AM Shift)

(209) 801-4442 | bnn.cdl@gmail.com | Santa Clara, CA

PROFESSIONAL SUMMARY

Reliable professional driver with 4+ years operating Bay Area test, mapping, and delivery fleets, now targeting the Nuro Autonomous Vehicle Operator AM role in Santa Clara. Operates in manual and supervised modes up to 8 hours a day in diverse traffic with strict safety and operational procedures, collects data with proprietary-style software, and gives detailed, accurate engineer feedback. Troubleshoots in real time with dispatch to hit mileage targets, runs daily pre- and post-mission inspections, and handles basic care like washing and tire air. Educates the public and hosts professional ridealongs with calm communication. Holds a current California license with 3+ years US licensure, a clean record, and can pass background and drug tests. Strong with laptops, tablets, smartphones, Slack, and Google Meet. Fluent in English, punctual, and available AM shifts Wed-Sun, Thu-Mon, or Sat-Wed 6:00am-2:30pm. Able to sit up to 8 hours, bend and lift 25 lbs, and ride through abrupt braking.
