PROFESSIONAL EXPERIENCE

Customer Service Coordinator | Western Digital, San Jose, CA (Great Oaks) Apr 2023 ■ Present

- Answer customer calls promptly and handle requests, inquiries, and complaints in a respectful, caring manner at WD Great Oaks (5601 Great Oaks Pkwy)
- Process product returns and day-to-day RMA receiving; verify warranty coverage so service requirements are met before a replacement or repair moves
- Investigate complaints, manage high-priority escalations with engineering and warehouse, and drive timely resolution
- Set realistic timelines, follow up on RMA backlogs and outstanding parts, and log every case in Excel and Outlook so schedules hold
- Follow written work instructions, multi-task with minimum supervision, and meet daily close-out deadlines in a fast-paced on-site team

Customer Care Representative | TD SYNNEX, Fremont, CA Jun 2021 ■ Mar 2023

- Supported distributor customer care at 44201 Nobel Drive: parts fulfillment, RMA status, and order questions by phone and email
- Coordinated with internal sales, warehouse, and vendor teams so returns and replacements hit the committed date
- Documented cases, tracked backlogs, and used Excel to keep aging RMAs visible to leads
- Owned issues through resolution and reset customer expectations when a part or credit was delayed

Customer Service Representative | T-Mobile, Milpitas, CA (Great Mall) Aug 2018 ■ May 2021

- Handled walk-up and phone inquiries, account questions, and device-return issues with clear English and a calm, professional tone
- Processed exchanges and documented each interaction so the next associate could pick up the case
- Worked a fast retail floor, multi-tasked between the counter and the queue, and followed store procedures on every ticket
- Built the ownership and follow-through habits later used on RMA and warranty desks
