PROFESSIONAL EXPERIENCE

Asset Protection Specialist | Target, Milpitas, CA — Apr 2023 ■ Present

- Execute loss prevention strategies and operational standards to protect store assets while keeping the floor safe, secure, and welcoming for guests and teammates
- Proactively engage shoppers, answer product questions, and drive sales through recommendations so LP presence still feels athlete-first, not purely enforcement
- Uphold merchandising, signage, price-change, and replenishment standards so product is ready to buy and presentation matches the floor set
- Train new and existing teammates on shrink awareness, safety SOPs, and exceptional selling; serve as the go-to expert for AP process in the store
- Document incidents accurately, escalate per policy, and treat every guest with respect while following company and legal guidelines

Loss Prevention Associate | Best Buy, Milpitas, CA — Jun 2021 ■ Mar 2023

- Protected high-shrink electronics inventory through floor presence, exception monitoring, and recovery support, reducing shortage while staying customer-focused
- Partnered with sales teammates to keep product shoppable and secure; executed lockup, key-control, and inventory presentation processes with an athlete-first mindset
- Promoted protection plans and loyalty enrollment during guest conversations, connecting LP visibility to service and add-on sales
- Onboarded new hires on safety, theft-awareness, and store operating procedures; modeled accountability and integrity on every shift
- Maintained a respectful environment and resolved floor issues quickly so guests felt safe shopping and teammates felt supported

Sales Associate | Foot Locker, Milpitas, CA — Aug 2018 ■ May 2021

- Delivered a high-energy athletic retail experience: greeted athletes, learned their sport and fit needs, and recommended footwear, apparel, and services
- Drove loyalty-program sign-ups and warranty/add-on attachments; kept the floor set, sized, and signed to company presentation standards
- Followed safety and shortage procedures on a busy Great Mall floor; reported concerns promptly and protected product without making athletes feel unwelcome
- Trained new associates on selling skills and daily operations; worked as a trusted teammate in a diverse, inclusive store
